Reflection

The month of November has arrived! It is my prediction that it will go by very quickly. At this time, we will begin verifying those students who will come Face-to-Face beginning on November 30, 2020. As we anxiously wait to see what will happen in the next few weeks, please continue to investigate strategies to *"Set the Hook"* for student participation and engagement. Continue to collaborate, exchange ideas and strategies, and utilize the resources that are available to you. Have conversations with other colleagues from other campuses and/or districts to see what they are doing and what could possibly work at Lucio Middle School. In closing, take some time to reflect on your strategies and what you can do differently to engage students. **Have a great weekend!**

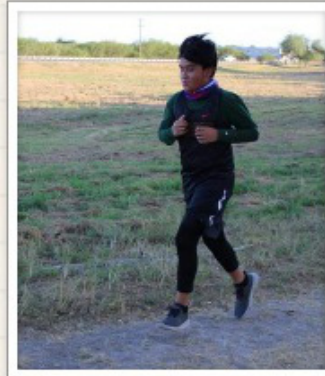

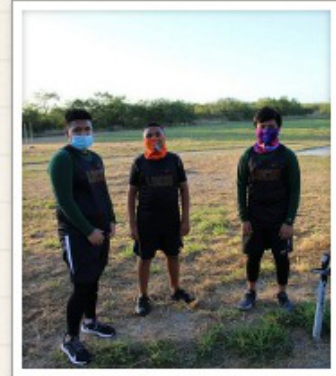

Way to go! Mr. Vega uses Nearpod with his Social Studies class.

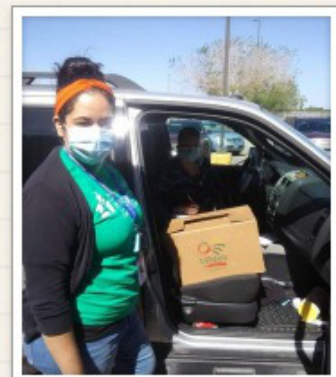

LIVE Attendance Give-Aways

Perfect Attendance Drawing

Log into your class, keep the camera on while showing your face everyday on-time and/or arrive to school on-time and attend all your classes and you will be considered for the attendance give-aways. Congratulations to everyone for their persistence and perfect attendance. Stay tuned for much more!!

Highlights from today's Cross-Country meet. Way to go Lions!!

Lucio MS Community in Schools donates

Mrs. C. Nieto from Lucio MS Community in Schools distributes donations from Immanuel Christian Fellowship of Brownsville. Because of their generosity, 50 Lucio families were able to receive a food box. Many thanks as well to our parent volunteers!

Highlights from our first athletic game of the year! Goooooo Lucio Lions!

We would like to thank the following teachers for accepting the new challenge in helping our campus move forward toward our goals of success.

Araceli Zapata – 7th Grade Texas History

Anitra Zamora – 6th Grade Science

Deedra Zuniga – 6th Grade Math

WE KNOW THEY WILL ALL DO AMAZING!
