## Words of the Week

I do not know about you, but I personally like starting the week on a Wednesday so we can all gradually get into reality! I want to thank everyone for their support with all logistics during these first few days. Everything went very smooth and as expected, our students are adjusting very well to the high expectations that are being set forth.

**BISD SCOC & Lucio SCOC:** Please ensure that you collect all SCOCs signed by the student and parent. After you have collected, please send to the front office.

**Walkthroughs:** Alphas will begin with formal walkthroughs this week. The T-TESS rubric will be strictly adhered to---in any particular domain, proficient equals "Rock Solid." Please review the rubric.

**Supervision & Safety:** All teachers and staff are required to stand by their door monitoring their classroom and supervising students during transitions. All personnel must remain at the doors until the bell rings. Students should not be allowed to loiter in front of any classroom. Hurry the students to class and keep the traffic moving along. Report anything suspicious. All students should be utilizing the appropriate hall pass and signing out/in the pass using the log.

**TRE Track Ribbon-Cutting Ceremony:** This ceremony will be held this Friday, August 23<sup>rd</sup> at 10 a.m. The superintendent, board members, and other representatives will be present for this event. If you are off, please stop by and join us! Some students will receive a special invitation to take-part or to watch the ceremony.

**Our Lucio Middle School Mission Statement:** *Lucio Middle School Teachers unite with passion to produce quality instruction and empower tomorrow's leaders.*
