### Preparing Tomorrow's Leaders Lion News

Chester J. Arizmendi  
 Principal

Congratulations to our 8th grade Math and Reading teachers! Our Lucio Lions were rated as number one and two out of all the middle schools. You have certainly set the bar high for all other subjects! Immediately after the benchmarks, data will be analyzed and Individual Academic Plans (IAPs) will be developed to ensure that gaps are closed and that progress measures are being monitored for growth. Thank you for your continued support to our students! I also want to congratulate Mrs. Saldivar and the chess team for MAKING IT TO NATIONALS!!!

\*\*Certified Personnel report on Monday, February 17th by 7:45 am. --do not be late. Classified Personnel 7:30 a.m. Everyone may wear jeans and tennis shoes.

Lesson closures (exit ticket)- As walkthroughs are being conducted, there seems to be some concerns with the closure of the day's lesson (objective). Questions to be considered? How do you know if your students mastered today's learning objective? How do you check for understanding of today's learning goal? What do you use to measure what they learned? These areas will be carefully addressed per occurrence. Exit Tickets help you assess if students have "caught what you taught" and plan for the next lesson or unit of instruction.

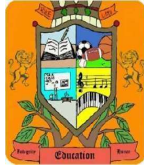

Discipline- A reminder that we are utilizing a Progressive Disciplinary System to address and redirect student discipline. So we can better support you, please review and follow the procedures in place. If a referral is composed without following the procedures it may be returned. Of course, there are exceptions due to fighting etc. An email with the procedure was sent earlier this week.

**Posting Grades-** As concluded in the TAC audits, there are many teachers who are not posting grades. Be sure to post grades on a weekly basis and follow the BISD grading policy (within 5 days of submission to the teacher of a major/minor assessment). By doing this, parents & students can monitor progress and parental support could be an assistance for ensuring completion of assignments.

A reminder that Common planning time meetings will take place in the data wall room. This time is set aside for you to plan with your content grade-level, exchange instructional strategies, share ideas, and review student data. Your team must stay the entire period unless dismissed by your appraiser. In many cases, your appraiser will come by to assist with anything that you may need. Access to a computer and a projector/screen is available for your convenience. All meetings must be documented via TEAMS. If you are sharing the meeting room with another team, you can request for the meeting time to be moved to another day and/or period.

**Hall Passes/Tardy-** Please ensure that your students are using the log to sign out the restroom pass. All students must have a pass to be in the hallway. Students who do not have a pass will be considered as "skipping class." Some students are leaving to CMC--they must have a pass. Do not send them to CMC/Dyslexia without a pass and only after 15 minutes of instruction. As a reminder, students are tardy to your class please make sure that they are marked tardy in TAC. This will help as we address any concerns with parents and students.

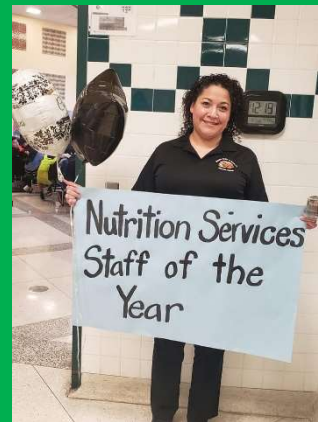

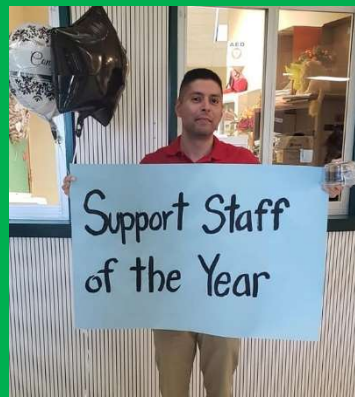

**Supervision & Safety:** I cannot stress the importance of effectively supervising your students 100% of the time. That one second that you step out of class to handle a situation can result in something else happening in your class. All teachers and staff are required to stand by their door monitoring their classroom and supervising students during transitions. All personnel must remain at their door (or assigned area) until the bell rings. Students should not be allowed to loiter in front of any classroom. Hurry the students to class and keep the traffic moving along. Report anything suspicious. All students should be utilizing the appropriate hall pass and signing out/in the pass using the log. Tardy round-ups will continue. Please ensure that you are marking students "TDY" who enter after the tardy bell. Even if the student enters the last minute of class you must mark "TDY." The PEIMS definition of a student who is absent (ABS) is one who "did not report to your class during any part of the academic period."
