Preparing Tomorrow's Leaders Lion News

Chester J. Arizmendi
 Principal

I want to begin by thanking each and every one of you for a great first semester! As we close this first part of the school year and begin the year 2020, please take some time to reflect on your instructional new year's resolution; we all can make a difference by tweaking certain practices.

Communication: Please keep the communication lines open. If you see something that is not right or policy that is being broken, please advise an administrator so it can be handled.

Supervision & Safety: I cannot stress the importance of effectively supervising your students 100% of the time. That one second that you step out of class to handle a situation can result in something else happening in your class. *All teachers and staff are required to stand by their door monitoring their classroom and supervising students during transitions. All personnel must remain at their door (or assigned area) until the bell rings. Students should not be allowed to loiter in front of any classroom. Hurry the students to class and keep the traffic moving along. Report anything suspicious. All students should be utilizing the appropriate hall pass and signing out/in the pass using the log. Tardy round-ups will continue.*

Our Lucio Middle School Mission Statement: *Lucio Middle School Teachers unite with passion to produce quality instruction and empower tomorrow's leaders.*
