Preparing Tomorrow's Leaders Lion News

Chester J. Arizmendi
 Principal

I hope everyone had a great first week back! The kids showed some great maturity over the break. As we close the first week of the new semester, please take some time to reflect on how your instruction is focusing on the noted student expectations discussed from the Fall benchmarks. How are your students progressing? What are you doing differently to engage all students and dive deeper into instruction?

Common planning time meetings will take place in the data wall room. This time is set aside for you to plan with your content grade-level, exchange instructional strategies, share ideas, and review student data. Your team must stay the entire period unless dismissed by your appraiser. In many cases, your appraiser will come by to assist with anything that you may need. Access to a computer and a projector/screen is available for your convenience. All meetings must be documented via TEAMS. If you are sharing the meeting room with another team, you can request for the meeting time to be moved to another day and/or period.

Supervision & Safety: I cannot stress the importance of effectively supervising your students 100% of the time. That one second that you step out of class to handle a situation can result in something else happening in your class.

Around the Lion's Den

Be Still Little Tree Be Still Author, Shawn Elliot Russell, visited Lucio Middle School yesterday. Students became immersed in an interactive experience that focused on inspiring hope, peace, and courage while learning fundamental skills for emotional wellness and lifelong success. Many Lucio students showcased their hip hop talent with Mr. Russell and performed among their peers for an unforgettable experience.

Thank you Officer Samano
& Security Officers
Cervantes and De Leon for
your continued support to
ensure that our campus is
always safe. We also
recognize Security Officer
Salazar who recently left
us. We thank him for his
service & duties at Lucio
MS.
