### Words of the Week

**Third Person Limited-** *The narrator is an outside observer that focuses on the thoughts and feelings of only one character.*

**Rising Action-** *Main part of the story. Moves the plot along. Where complications arise.*

'Twas the week before the break! It has been a very busy year. Every year we have different cohorts of students with very different styles of learning. It is important for us to stay focused and utilize the data within our finger tips to make informed decisions on instructional strategies and student academic expectations. Please take some time to reflect on the student expectations that need to be addressed, and the action plan that you have strategically planned so achievement gaps can close.

**Christmas Spirit Week-** Next week 12/16-12/20 is Christmas Spirit Week. We encourage everyone to participate (see attached). Please follow the attached guidelines. Jeans are only permitted if it is part of the designated dress attire.

**Faculty & Staff Caroling:** We invite all teachers and staff to form our Annual Christmas Carol & Band. We will perform for our students during the 21<sup>st</sup> Century Presentation on Wednesday, December 18<sup>th</sup> and during all lunch periods on December 20<sup>th</sup>. We need vocalists and instrumentalists---even if you cannot sing that is fine it is the thought that counts!! Let's show off our talent and spirit to our learning community!! We will have a short practice in the choir room on Tuesday, December 17<sup>th</sup> from 3:10-4:00 p.m. Come one...COME ALL!!

**Our Lucio Middle School Mission Statement:** *Lucio Middle School Teachers unite with passion to produce quality instruction and empower tomorrow's leaders.*
