Words of the Week

Due process (of law): *The right of an accused person to be treated fairly and according to the law*

Patriotism- *Feelings of love and support for one's country*

As we close this week, please prepare yourself by reflecting on the following practices: How does your measurable objective reflect what the students are actually able to do when they exit your class? If you were asked to prepare a PowerPoint presentation on daily examples for "going deeper" for students to analyze and verbalize content, what would this look like?

Walkthroughs: *Alphas will continue weekly with formal walkthroughs. The faculty meeting will cover pertinent information on what has been seen so far. The T-TESS rubric will be strictly adhered to---in any particular domain, **proficient equals "A Rock Solid Teacher."** Please review the rubric.*

Supervision & Safety: *All teachers and staff are required to stand by their door monitoring their classroom and supervising students during transitions. All personnel must remain at their door (or assigned area) until the bell rings. Students should not be allowed to loiter in front of any classroom. Hurry the students to class and keep the traffic moving along. Report anything suspicious.*

Our Lucio Middle School Mission Statement: *Lucio Middle School Teachers unite with passion to produce quality instruction and empower tomorrow's leaders.*
