## Lion News

Principal's Corner

As we close this week, please take some time to review your students' three-week progress. Who is failing? Why have they failed? What evidence do you have to support that specific interventions are in place? If that did not work, what did you do differently? For the students who are passing, what evidence can you provide that demonstrates that you consistently challenge your students to excel to the next tier?

**Teacher of the Month:** We will begin teacher of the month very soon. If you want to be considered, please complete the attached form and submit to me by close of business Thursday, September 5th. If selected (by random drawing only), teachers will receive a small token of appreciation, their picture will be taken and advertised on our web site and school Facebook along with a few fun facts about them. They will also have reserved parking (one in front and the other teacher in the back). We encourage everyone to participate!

**Lions of the Month:** We will begin Lions of the week very soon. With the assistance of teachers, students will be selected by their counselors. These students will receive a certificate, a special treat from administration, and have a free dress pass all week long! Students will likewise be featured on our website and Facebook.

**Supervision & Safety:** All teachers and staff are required to stand by their door monitoring their classroom and supervising students during transitions.

**Annual Fundraiser-** Please continue to support of initiative to raise money for our students. Encourage your homerooms to sell. This will support all student incentives for the remainder of the school year; not to mention, 10% of our profits will go to faculty motivation (which means good things for our hard-working teachers!).

Lucio teachers receive the Garaventa Evacu-Trac training. The Garaventa Evacu-Trac CD7 is an evacuation chair used to move people with a disability or injury down stairways quickly and safely during an emergency.

We are grateful for the completion and opening of our TRE Four-Lane Track. Thank you to everyone who made this day possible and to those who took time from their busy schedule to accompany our Lucio Lion Community!
