## Lion News Special Edition

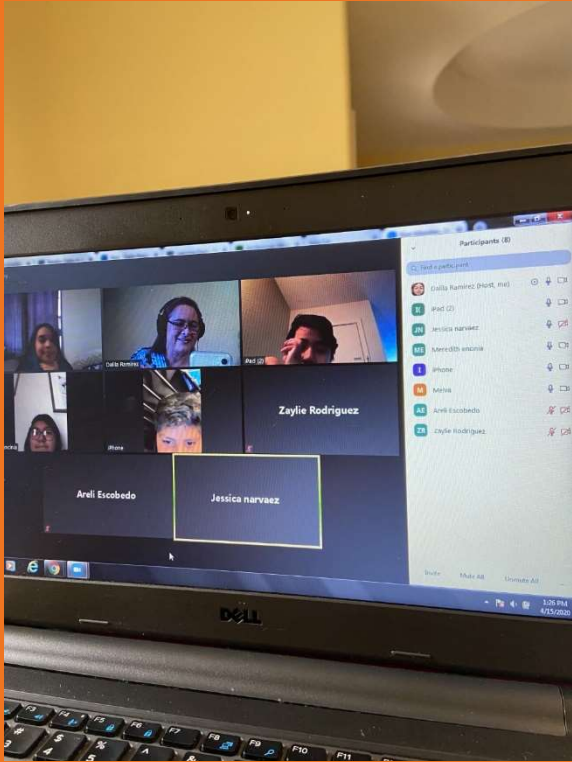

Chester J. Arizmendi  
 Principal

*As we close the week, it is with great excitement that I report over 90% of our students are actively engaged in online learning. We have 10% completing the instructional packets and many more that continue to be called by our classified staff on a daily basis. Let us continue to drill on the skills in such a way that we can preserve what is needed for their next grade-level. A big thank you to all of our hard working teachers and staff who are making it possible to educate our Lucio Lions!!*
